+ Add an activity or resource

The screenshot shows a dialog box titled "Add an activity or resource". On the left, there is a list of activity types: Glossary, Lesson, Quiz, SCORM package, Survey, Wiki, and Workshop. Below this is a section labeled "RESOURCES" containing: Book, File, Folder, IMS content package, Label, Page, and URL. The "File" option is selected with a radio button. On the right side of the dialog, there is descriptive text about the file module and a list of use cases. At the bottom, there are "Add" and "Cancel" buttons, with the "Add" button circled in red.

- In order to Upload your Lesson Plan (Excel File)
- Click 'Add an Activity or Resource'
- Choose 'File'
- Click 'Add'
- Fill in the 'Name' with your Lesson's Name.

Adding a new File

General

The screenshot shows the "General" section of the form. At the top, there is a "Name*" text input field, which is circled in red. Below it is a "Description" section with a rich text editor toolbar containing icons for text color, bold, italic, list, link, unlink, and image.
